

# Libart Lifestyle

## Enjoy the Lifestyle you deserve!

### 1. **Winter Pool Parties**

Extend the use of your pool for a full 12 months!

### 2. **Low Maintenance**

Keeps debris out of pool saving you time & money.

### 3. **Less H<sup>2</sup>O Evaporation**

A 20x40 Pool can lose up to 25 gallons per day!

### 4. **Endless Summer**

No need to open or close your pool saving \$300 or more per year.

### 5. **Tropical Water**

Enclosures keep pool water 20 degrees warmer saving on energy costs.

### 6. **Fewer Chemicals**

Use less chemicals saving money & helping the environment.

### 7. **Quick Installation**

Installs quickly and can be relocated with your family.

### 8. **Pool Security**

Keep unauthorized guests out and protect your children.

### 9. **Add Property Value**

Increase your property value with luxurious habitable space.

### 10. **UV Ray Protection**

Enclosures filter out 99% of harmful UV Rays.

“There are those who admire the extraordinary and those who define it”  
Experience our definition . . . .

*“When all is said and done, the weather and love are the two elements about which one can never be sure*

*” Alice Hoffman*
